It's the Weather

Roderick Hunt

Alex Brychta

The children were noisy.

The children were silly.

The children were messy.

The children were untidy.

'Oh dear!' said Mrs May.

'It's the weather.'

The children were cross.

The children
were grumpy.

The children
were unhappy.

'Oh dear!' said Mrs May.

'It's the weather.'

The sun was shining.

The children were good.

'What a day!'
said Mrs May.
